

IN THE SPECIFICATION:

Please amend the specification as follows:

On page 1, after the title, please insert the following subheading:

A 2

--Field of the Invention--

IN THE CLAIMS

Please amend the claims as follows:

Please cancel claim 1.

A 3

2. (Amended) A film of a polymer blend which contains at least one polymer having a substantially different water transmission rate to at least one other polymer in the blend and there being dispersed through the polymer blend an antifungal agent activated by the presence of moisture.

3. (Amended) A film as claimed in claim 2, in which the sulfur dioxide transmission rates are above the concentration which inhibits fungal growth but below 5 ppm.

4. (Amended) An extruded film for use in packaging table grapes said film including a major portion by weight of an EVA copolymer, a minor portion by weight of a low density polyethylene and an effective amount of an antifungal agent preferably from 10 to 30% of sodium metabisulfite.

5. (Amended) A packaging film as claimed in claim 4, which is one layer of a multi layer film.

Please add new claim 6 as follows:

A 4

6. (New) A grape bag made of a film as claimed in claim 2.
